Dear Mr Ridley,

I would like to congratulate you, your staff and your pupils on your school's very high standard of achievement in reading and in mathematics in the 2017 key stage 2 assessments.

Your school's results, as published on 14 December, show that 100 per cent of your pupils reached or exceeded the expected standard in reading and mathematics at the end of key stage 2. This means that your school is in the top 1% of primary schools in England for attainment in reading and mathematics.

We want to ensure that every child has the necessary fluency in reading and in mathematics to prepare them for a successful secondary education and beyond, and your school has provided this to all your pupils.

Thank you for your hard work and professionalism in producing such high standards and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,

Rt Hon Nick Gibb MP
