Headteacher's note

Dear St Peter's Eaton Square Families,

As we near the end of the Spring term, I'm amazed by how quickly time has flown by.

This week, we immersed ourselves in Science Week, celebrating the contributions of scientists like Katherine Johnson and Isaac Newton. The children participated in engaging science workshops, fostering a love for discovery.

Our week ended on a high note with a successful biscuit sale, raising £389 for 'Children in Need' thanks to our supportive families. I'm proud of our community's generosity.

Wishing you all a relaxing weekend filled with promised sunshine.

Wishing you all a fantastic weekend ahead,

Mrs Carrington

Greetings from St Peter's Church

From Fr Jonathan, Vicar of St Peter's Church

Dear parents and carers

It's been lovely to be going through the services of Holy Week with the children. Yesterday at the School Mass we went through what happened the original Palm Sunday when Jesus arrived in Jerusalem and how we commemorate that in church. Next week we shall be doing Maundy Thursday and for the final School Mass of the term which will be in Church on Wednesday 27th March (please note day) we shall be doing Good Friday. On the occasions we have School Mass in Church we would like very much to offer those of you able to join us a cup of coffee in Church after the Mass.

This coming Sunday (Passion Sunday) our services are all at the usual times and you are warmly welcome at any of them – and especially our Family Eucharist at 0945. In all that we do we celebrate the warm and collaborative partnership between church and school here at St Peter's and we are so grateful for all you bring to our life together.
