## Weekly News

### Headteacher's note

Dear St Peter's Families,

We have enjoyed another great week at school and the children have really immersed themselves in all of the topics and activities connected to Anti-Bullying week. Thank you to the parents who attended the workshop your input as always was useful and I hope that you also found it informative.

A huge thank you to those of you who have started to complete our online survey via Parent View. Your feedback will ensure that as a school we can continue to work in collaboration with you to make improvements where appropriate.

Have a peaceful weekend everyone and we look forward to seeing you on Monday.

# Anti-Bullying week 2023!

## Anti-bullying week

It was great to begin the week with a celebration of what makes us all unique by wearing odd socks. The school council did a wonderful job of teaching our parents about our anti-bullying culture at St Peter's in the parent's workshop on Tuesday. Thank you to those parents who were able to attend. Through the week, the pupils have had lessons on raising awareness of bullying and what to do about it.

Please do not hesitate to contact the school to report any unkind behaviour. Part of our anti bullying culture is to prevent bullying and address any concerns as early as possible. Please do not discuss any incidents on class whats app groups as these are set up for the purpose of school communication about event reminders etc.

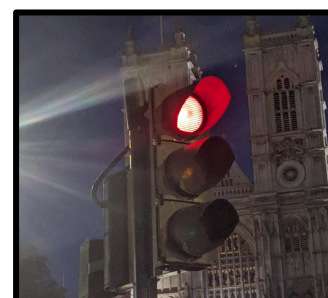

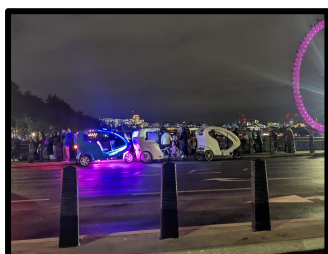

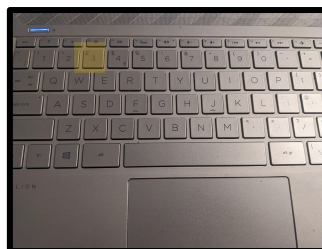

Please see the link to our renewed Anti-bullying policy in school.

Thank you for searching for that magic number - THREE!  
Can you spot the magic in our photos from families?

# Maths Week England 2023 @ St Peter's

## 13th – 17th November

### WOW! What amazing Maths Costumes!

This Friday, our school was filled with calculators, rulers, Numbots, Times Table Rock Stars and historical mathematicians! It was so wonderful to see everyone dressed up, talking about their maths learning and having fun with maths! Thank you to our families for your dedication to this week!

We had a parade in the hall during celebration assembly, where everyone was able to strut their stuff!

## Greetings from St Peter's Church

Greetings St Peter's Families,

We have been focusing on our Christian value of service this half term and this morning at School Mass, we looked at the example of St Margaret of Scotland, whose feast day it was, and how she was a great philanthropist in her own generation, inspiring us in our own. School Mass is always a great highlight of the week for me and the children's singing has been a real joy to hear. This coming Sunday our services are all at their usual times and you are warmly welcome at all of them, especially our 9.45 am Family Eucharist as we celebrate the great partnership between church and school.

Many Blessings,  
Father Jonathan

The Eco Committee have decided that they are going to add Global Citizenship to their agenda this year.

# Article 4

## Article 4 -implementation of the Convention

Governments must do all they can to make sure every child can enjoy their rights by creating systems and passing laws that promote and protect children's rights.
