18 October – Year 3 Blue Trip to *St James' Park*

19 October – Last Day of term, **school closes at 2pm**

Head's message:

A quieter week by St Peter's standards – for the pupils at least!

Year 2 welcomed Ms Blazques, a visiting Swiss trainee teacher, who will be working at the school for the next couple of weeks. There is a long standing connection between the school and a teacher training college in Zurich. We will have another such placement trainee in January.

Year 6 successfully completed their first week of Cycle confident training.

Many thanks to Ms Spooner and Ms Yilmaz, who were kept very busy completing the October school **census** for the DfE. **Staff training** included Science, *nowpressplay*, communication and a new sports initiative. Ms Graham conducted an **RE audit** with the catchy title *Reflection Inspection*.

As I am writing the PTA committee is preparing for this afternoon's **PTA AGM**. As you know the PTA does a huge amount for school fundraising, which is increasingly needed in the current climate of education cuts. I do hope as many of you as possible are either able to attend or take part in the work of the committee or preferably both!

Over the weekend there will be people taking measurements for planting boxes to be manufactured. These will form part of the second phase of **greening St Peter's** perimeter from the school entrance to the kitchen door and further help improve air quality (and look quite nice too!). A new scooter parking facility will be installed along the railings within a couple of weeks.

Could I ask that everyone abides by the **IN & OUT** entrance and exit playground gates at drop off and collection times. This will reduce congestion inside the playground and ease the frustration of the majority of parents, who are following this. Thank you.

Have a lovely weekend,

Miles Ridley
