A polite reminder for **all class reps** to email the school office office@stpeaton.org.uk so we have a list of reps for each class for the class teachers.

For children in Year 3 -6 who have a school dinner please ensure your dinner money is paid for this term. The total is **£66.00** and can be paid on www.schoolgateway.com or cash/cheque at the school office.

Classlist – Is a social media app which class reps use to stay in touch with parents in their classes. The school has no input in this at all and it is entirely organised by parents. The class reps make for their email address available to parents in their class. It is then for parents to choose to make links and one way may be via *Classlist*. Following our GDPR duties the school cannot not share parents' contact data with other parents.

Head's message:

Y3Yellow walked over to St James' Park for an orienteering experience. The school's Year 3 classes were invited to participate in this pilot scheme fully funded by **The Royal Parks** service. It involved maths, history, geography and science. **Year 3 Blue** go next week. **Year 1** visited Belgrave Gardens as part of their experience of nature. The **Nursery** parents were able to access the **Book Trust** work shop once again. This is an annual event, usually around this time, when parents can sit –in on a story reading workshop led by the Book Trust. The **School Council** had their inaugural meeting with Mrs Shayler. They discussed a variety of ideas to feedback to their classes including recycling water bottles, welcoming new children, clubs, outdoor learning experiences, the size of the playground, art, music, water slides and many more ideas. These are all ideas which can be opened up for discussion in classes and some may feed into actual plans for developing the school.

There seemed to be a whole raft of meetings taking place in school across the week, including two governor sub committees and the first meeting of the full governing board. I am happy to announce that Fr Ralph Williamson was elected to continue as our Chair of governors and Jim Glen as Vice Chair.

PARKING

It is an offence to park on the **yellow zigzags and School Keep Clear** space in front of the school. Westminster will be installing a sign to explain this. These markings were installed at my request as a safety precaution and as part of our on-going efforts to reduce the impact of exhaust pollution for all the children. Please **do not park** here.

ENTRANCE/EXIT

Unfortunately, I need to once again remind some parents to courteously observe the **In & Out** playground gates at all times. We supervise the gates for the security of all the children and to ensure that none leave without their parent. Incorrect use of the gates creates additional congestion, causes frustration and endangers the children.

At 9:00, after the Entrance gate is closed, **all late arrivals must only** enter the school via the Main Entrance and school office and not via the Exit gate.

Best wishes,

Miles Ridley
