Head's message:

Welcome back. I hope you enjoyed the half term break – I have certainly heard lots of adventures and all about the exciting places visited by children and staff!

Teachers were involved in **pupil progress** meetings with the senior leadership team all this week in preparation for the Autumn Parents' Consultation evenings next Tuesday and Wednesday. (If you haven't already signed up for a 10 minute slot with your child's teacher please do so on the sheets in the playground.)

Year 5 had an interesting morning finding out about cyber security; an essential part of our digital age. Many thanks to parent John Jackson for organising this.

The school nurse team took height and weight measurements of children in **Year 6** – this is an annual national survey. **Year 3 Blue** welcomed reading volunteers from **The Department of Transport**. **EYFS** children had an autumnal walk in Belgrave Gardens. The **PTA** met to discuss, amongst other things, the **Christmas Fair – please get involved!**

Staff training included **Keys Stage 1 Shakespeare project** (Year 2 teachers), supporting children's' learning and behaviour management.

Fr Ralph led Mass to celebrate All Souls day and recounted on his trip to Delhi and all about Mahatma Ghandi.

The lower hall is currently out of action while essential electrical works are completed as part of our library development. This has disrupted some normal PE lessons but Coach James and teachers have maintained great exercise routines with movement lessons in class and jogging around the block! This work has also meant moving Breakfast and After school clubs to the upstairs hall. Thank you for your patience in this and support of Ms Anna and team.
