Head's Message

This week at St Peter's **Year 4** entertained the school and parents in a wonderful **Assembly** based on their recent Rainforest topic, which allowed many cross curricula links in maths, writing, humanities, science, music and dance. Excellent! **Year 5** visited the IMAX cinema to see the ***Aeneas film project***, which had been organised by the Latin Programme.

We had several visitors, including our advisors from TBAP, our link Early Help caseworker, our Educational psychologist. Staff development included writing moderation, assessment collection and an Ofsted update briefing. I went to the Westminster City school orchestral concert at St Peter's last night and was bowled over by the talent and enthusiasm of the performers. I strongly recommend parents consider the school for a secondary transfer option.

Finally could I remind parents that we do not allow entry to any part of the school other than the playground at morning drop off and afternoon collection. Please either ask a member of staff if you need to pop into the toilet and of course speak to the office to make appointments with teachers. This is an important part of our security and the safeguarding of all the children.

Best wishes,

Miles Ridley
