House Points

Matthew: 570

Luke: 483

Mark: 470

John: 321

Head's Message

A lot of wintry colds and coughs this week amongst staff and pupils so the school rather hunkered down without any external visits. Happily it looks like we are all on the mend now. Just in time for one more week of fantastic learning at St Peter's before half term. I know **Year 3** have been busily rehearsing for their Assembly next week and **Year 2** had a visit from Leonie Dodd, who is directing their scene from *A Midsummer Night's Dream*. The school council met and discussed many exciting ways to use the new school library. The generous book donations keep coming in from parents – remember the easiest way is to use Belgravia Books in Ebury Street as they have our wish list. Fr Ralph led a dramatic Mass based on Love – expect your children to show their love by picking up clothes in their rooms! Staff training included writing moderation.

Gill Walley, our school improvement partner, paid a visit to see our progress and work with Sarah Shayler and me. I also met with John De Pree, Marketing Director for Gett UK (taxis) to discuss how their generous donation would be used to help improve air quality in and around the school. This will fit into the on-going project with The Greater London Authority Air Quality programme in which we are involved.

Best wishes for the weekend,

Miles Ridley
