

Remote Learning at St Peter's Eaton Square C of E Primary School

In line with the Government's Department for Education expectations children at St Peter's Eaton Square are expected to attend live lessons on MS TEAMS. They have a daily timetable that begins and ends with a fifteen-minute whole class registration. In the morning the classes are split into two groups and are taught live lessons for maths and English (30 minutes each). After these sessions the children are set work to complete and upload onto TEAMS for the teacher to assess and respond to.

In the afternoon, the children are set a piece of work for topic subjects. These are timetabled so that the same subject is taught on a given day of the week, every week. To supplement their learning, each child has been given a CGP book bundle- the work to be completed in these books is directed by the teacher.

To further supplement the remote learning offering at St Peter's Eaton Square- children have access to 'Mathletics' and 'Times Table Rock Stars'. Children in Year 3-6 have access to Latin lessons provided by the Latin Programme through their own portal. They also have access to 'Developing Experts'- a dedicated online science teaching website that provides lessons, quizzes and activities for children. The teachers direct the learning.

A typical week may look like this:

	Monday	Tuesday	Wednesday	Thursday	Friday
9-9:15	Register	Register	Register	Register	Register
9:15-9:45	Group A: live lesson (maths)	Group A: live lesson (maths)	Group A: live lesson (maths)	Group A: live lesson (maths)	Group A: live lesson (maths)
