Service.. Love.. Hope.. Forgiveness.. Faith.. Wisdom

Weekly News

Headteacher's note

Forgiveness

Dear St Peter's Families,

A heartfelt thank you to all those who stepped forward as potential class representatives. Emails with details about the role will be sent to the selected candidates next week. Our Year 5 students have been honing their cricket skills for the upcoming Westminster borough round of the Moogsoft William Greaves Trophy 2023/24. Let's rally behind them in this significant primary school cricket competition, the largest in the UK.

In case you missed our recent workshops, worry not! Valuable information and updates are available on our [website](#).

Your ongoing support is appreciated as we continue to strive for excellence.

Warmest regards,

Mrs Carrington

3 - 4 pm**

**ACTIVE
WESTMINSTER** | **City of Westminster**

**School Street CCTV
enforcement
begins 29/01/24**

Greetings from St Peter's Church

Dear Parents and Carers,

It has been a good week at school and I much enjoyed presiding at the School Mass, where we remembered the miraculous transformation of water in wine at the wedding feast at Cana of Galilee as we continued in the Epiphany Season.

This Sunday our services are all at their usual times and you are warmly welcome at all of them, especially the 0945 Family Eucharist. We would love to have more children on our altar serving rotas, so please do contact me if your child/ren would like to help in this way on frjonathan@stpetereatonsquare.co.uk. I much look forward to seeing many of you on Sunday.

I will shortly be sending a letter to all parents and carers of children in Year 5 who would like to be confirmed at this year's confirmation which will be on Sunday 19th May (the Festival of Pentecost)

HOUSE POINTS

MATTHEW 6648	MARK 7241
LUKE 7702	JOHN 7478

Most points in KS1	Most Points in KS2
Zarina & Katty 2W & 1C	Edward 5P

Article 24 says: Every child has the right to the best possible health. Governments must provide good quality healthcare, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

Eco-Committee update

We're thrilled to share a quick update from the St. Peter's Eco Committee:

Lunchtime Gardening and Outdoor Classroom Transformation:

Get ready for some green thumbs! Next week, we're launching lunchtime gardening sessions and kickstarting the transformation of our basement outdoor space into a vibrant outdoor classroom. This will be a cozy hub for educational activities once the warmer weather arrives.

Stay tuned for more updates from the Eco Committee as we embark on this exciting venture!

Healthy Schools - Oral health

Dental extractions remain a top reason why children in the UK require hospital admission. Tooth decay can be prevented with changes to diet and good oral health habits. Does your child clean their teeth correctly and for the right amount of time?

Help your child prevent having tooth cavities that will require filling, by reducing the amount of sugary drinks that they drink.

Healthy Schools Partnership
SILVER AWARD: Physical Activity
Westminster
