Headteacher's note

Dear St Peter's Families,

A warm welcome back everyone. It has been such a joy to see such happy children (and parents).

The Reception children went on their first trip of the Year to The National Gallery this week for their topic about animals and had an amazing time.

Our playground extension exhibition was a huge success! You can view the video created of our children's thoughts on our playground and what they'd dream to see [here](#).

Our week has been marked by the loss of one of our parents, bringing sadness to our community. We will come together to provide the necessary support for the children during this difficult time. Your collective care and support are deeply appreciated.

Take care of yourselves and each other

Black History Month Showcase

This week, children showcased their work from the end of last term based on their learning throughout Black History Month!

EYFS Visits the National Gallery

Reception children went to the National Gallery for a school trip. We took part in the story telling with one of the artists, Ms Fiona and we learnt so much about animals in a painting, *River Landscape with Horseman and Peasants*, by a painter called Aelbert Cup.

Greetings from St Peter's Church

Greetings St Peter's Families,

It has been a lovely week at both church and school and to have seen the exciting plans for the playground extension. This week at the School Mass we celebrated All Saints' Day, those holy men, women and children who in every age have enabled God's light and love to shine through them, and transformed the world through their witness. At the Church on Sunday we will continue the theme of All Saints and you are warmly welcome at all our services, especially our 0945 Family Eucharist. I look forward very much to seeing you soon, either at the school gates or in Church on Sunday.

Many Blessings,
Father Jonathan

Article 3: The Best Interests of a Child

The best interests of the child must be a top priority in all things that affect children.
