SERVICE

Dear St Peter's Families,

What a fantastic week we've had at St. Peter's!

Highlights included our beautiful Christingle service and a wonderful Parents' Morning where you had the opportunity to explore your children's learning.

This week, I've been encouraging the children to talk about their current learning using the sticky knowledge questions we shared with you earlier. These questions can be a great tool to reinforce their understanding and spark some interesting discussions at home! You can find the sticky knowledge questions on our school website [here](#).

Thank you for your continued support.

Have a lovely weekend!

Attendance and **punctuality** are crucial for the children's progress and wellbeing at school. Many thanks for all your support and efforts. Please ensure that your children are arriving to school on time.

Remember our gates close at 8:55am

Children's education should help them fully develop their personalities, talents and abilities. It should teach them to understand their own rights, and to respect other people's rights, cultures and differences. It should help them to live peacefully and protect the environment.

Greetings from St Peter's Church

From Fr Jonathan

Vicar of St Peter's Church

Dear parents and carers,

It has been very good to celebrate our annual St Peter's School Christingle in Church this week and to be with the children in this exciting season of Advent in preparation for Christmas.

Here at the Church we have our Parish Christingle this coming Sunday (08 December) at 4 pm in the Church and followed by a party. It would be lovely to welcome as many of you to that as are able to come. The effects of Christingle are even more magical in the Church in the darkness of the late afternoon winter light, illuminated the lights on the Christmas trees and simply by the light of the children's candles.

Our Christmas Services may all be found on the Church website at the time of the homepage.
