*Dear Mrs. Carrington*

I am writing following the publication of the inspection report for your last section 5 inspection. Although St Peter's Eaton Square CofE Primary School was judged to require improvement overall, I was pleased to see that your leadership and management were judged to be good.

It is good to know that you have secured improvements in many areas of the curriculum, and that you have prioritised the teaching of reading. It is clear from the report that you and your leadership team have high expectations of all pupils. I am especially pleased to read that you are working closely with external professionals to further teachers' expertise in supporting pupils with special educational needs and/or disabilities.

I know that you and your team will be continuing your good work. I hope this will be reflected in your next inspection outcome.

In the meantime, I have asked Caroline Dulon HMI, Regional Director for London, and her Senior HMI to be available if you wish to discuss your progress.

Yours sincerely

*Amanda Spielman*
