Headteacher's note

Dear Families,

WISDOM

What a fantastic, sunny week we've had at St Peter's!

The children have enjoyed their library visits, and we're busy preparing for our VE Day street party next week – excitement is definitely building!

It was lovely to welcome external visitors from the LA and new parents into school this week. They were all incredibly impressed by our pupils' outstanding behaviour and focus during learning walks – a real credit to our school community.

Wishing you a restful Bank Holiday weekend, and I look forward to seeing you all at the gate on Tuesday morning.

Warm wishes,
Mrs Carrington

Attendance and **punctuality** are crucial for the children's progress and wellbeing at school. Many thanks for all your support and efforts. Please ensure that your children are arriving to school on time. **Remember our gates close at 8:55am**

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

PRAYER OF THE WEEK

Almighty Father,

Thank You for our homes, families, friends and our school. Thank You for our food and water, for keeping us safe and giving us this beautiful, natural world to look after.

We are sorry for the mistakes we have made, the times we have made others sad and the times we have been rude.

We pray for world peace and for your guidance. We pray for wisdom to make good decisions.

Lord in Your mercy, hear our prayer. Amen

From Fr Jonathan - Vicar of St Peter's Church

Dear parents and carers,

It has been lovely to be in school several times this week and, as always, to preside at the School Mass on Thursday morning. We looked at the appearance of Jesus to the disciples in the upper room after his resurrection and how St Thomas was led to a fuller and deeper faith through his questioning. We talked about how that questioning is an important factor in faith and living out God's all inclusive love for the world.

Next Tuesday our new assistant priest, Mother Jennifer Midgley-Adam, begins at St Peter's Church. She will play a full part in the life of both church and school and we greatly look forward to all that she will bring to our life together.

As always you are warmly welcome as all our services and activities at St Peter's Church, and most especially our 0930 Family Eucharist on Sunday mornings.

ECO CLUB

In Eco Club this week, we had a great session focused on Earth Day, which took place on April 22nd. We discussed the importance of protecting our planet and shared ideas on how we can make a difference in our everyday lives. Each child wrote their own Earth Day pledge, promising to take simple actions like reducing plastic use, saving water, and recycling more. We also spent time in the school garden, checking on the vegetables we planted before the half term. It was exciting to see how much they had grown! The club is really enjoying seeing the results of their hard work and learning how small efforts can have a big impact on the environment.

Greetings from St Peter's Church
