LOVE

Dear St Peter's Families,

It has been lovely to welcome everyone back after the Christmas break and to see the children return so settled and ready to learn. We are also delighted to welcome new children and families to our school community.

This half term, our Christian value is Love, and we are encouraging the children to show this through kindness, care and respect for one another as part of our St Peter's community.

Classes have begun preparing for our Dance Around the World event at the end of the half term, and we look forward to sharing this celebration with you.

Thank you, as always, for your continued support.

Mrs Carrington

Article 4

Article 4 states that governments must do all they can to make sure every child can enjoy their rights by creating systems and passing laws that promote and protect children's rights.

Q. "Why do you think it's important for governments to protect children's rights?"

Greetings from St Peter's Church

From Mthr Jennifer

Assistant priest of St Peter's Church

Dear Parents and carers,

A very Happy New Year from everyone at St Peter's church, I hope you were all able to enjoy the Christmas break.

It was lovely to see Yrs 1-6 in church on Thursday for Mass at the beginning of term. In the service we talked about Epiphany, the visit of the Magi to Jesus, and about the blessing that is used in some Christian traditions to pray for our homes and buildings in the New Year. If you would like a piece of chalk and the prayer to pray for your own home, please do ask in school or come into church and we can give it to you.

Hoping you all have a good start to the new school term.

Yr 5 Prayer

Dear God,

Thank you for our school and community. Thank you for giving us teachers, who provide learning, food and sports. Please help us be on our best behaviour at school so we can be led to a happy future. Please help us to follow the St Peter's way every day and to help us even when school is a bit hard. I am grateful for our equipment and please help us to care for it and not break it. Please help us to be grateful for what we have at school and not to take it for granted.

Lord in your mercy,

Climate Ed

As part of our science unit on conservation, Year 4 will be taking part in an exciting series of sessions on climate change this half term from Climate Experts! We will learn about the Earth's climate, why it is changing, and how our everyday actions can make a difference. This week we learned all about the greenhouse effect and how our planet is getting warmer. These sessions will be an engaging way to understand how we can make positive changes each and everyday to help our precious planet.

PTA

Reminder the PTA will be holding their annual general meeting on 19th January at 8:40am in the school hall. If you are interested in joining the PTA please come along.
