Headteacher's note

Dear Parents and carers,

It has been great hearing about who the children, from Reception to Year 6, are learning about for Black History Month this year. Our theme, **'Honouring our Communities'** , celebrates the contributions of Black individuals and the difference they have made to our communities.

I would particularly like to recognise Yvonne Conolly, Britain's first Black female headteacher. Today, I was invited into Year 1 to be interviewed about my own headship, and it was lovely to hear the children's thoughtful questions.

You certainly have a treat in store when you attend our upcoming class assemblies! I am looking forward to the children sharing their learning with you.

Mrs Carrington

Reading Spotlight

YEAR 3

Year 3's school year started with The Iron Man destroying the classroom in the middle of a wind storm! Luckily, he left some clues and not only were we able to put the classroom back together, we learnt about techniques and language used in a setting description.

Ted Hughes does a fantastic job of bringing the story to life and all of Year 3 have been on the edge of their seat for every chapter. We have discussed use of adjectives, noun phrases and rhetorical questions, while also learning how to 'show, not tell' in our writing.

We have built our skills in prediction, using context clues, and participating in meaningful discussion. We can't wait to see how the story ends!

Wear Yellow for Young People's Mental Health

St Peter's was full of sunshine and smiles as the children wore yellow to support YoungMind's Young People's Mental Health Day! In assembly, we discussed the importance of taking care of our mental health, how we do this and how to support one another.

We want to share the resources which YoungMinds offer to support if you ever need help and advice.

This includes:

- ★ Online resources **www.youngminds.org.uk/parent**
- ★ A phone line service for parents and carers to speak to trained professionals if you're concerned about your children's mental health:**0808 802 5544** (Open 9.30am-4pm)
- ★ As well as an online chat and email service **www.youngminds.org.uk/parentshelpline**
